Dear all,

you are receiving this email because your talk at Geomorphometry 2021 is scheduled for this morning - September, 15 starting at 10 am - Rome time. Please find below Zoom access information.

PLEASE NOTE: we are recording all contributions. I would like to have your **explicit consent** to publish the recording of each talk on the conference website (via Youtube). If you do not agree, we will discard the recording of your contribution. In either cases, it would be nice if you could send us a PDF file of your presentation, which we are going to upload as well.

Have a nice conference!
